

Team Natalie says a big thanks

On behalf of CCL, we would like to thank those who generously donated to the **Team Natalie Campaign**.

We completed the Land's End to John O'Groats cycle challenge without any injuries, although the office did transform into the ministry of funny walks for a week!!

The effort raised in the region of £6,000.00 for the **Team Natalie campaign**, and we take this opportunity to thank those who donated their time and/or money.

We have just received news that Natalie's treatment has not been successful and that she has sadly passed away. We thank you for your thoughtful contribution, which enabled Natalie to spend those extra vital days/weeks with her family and son.
